to establish precedence

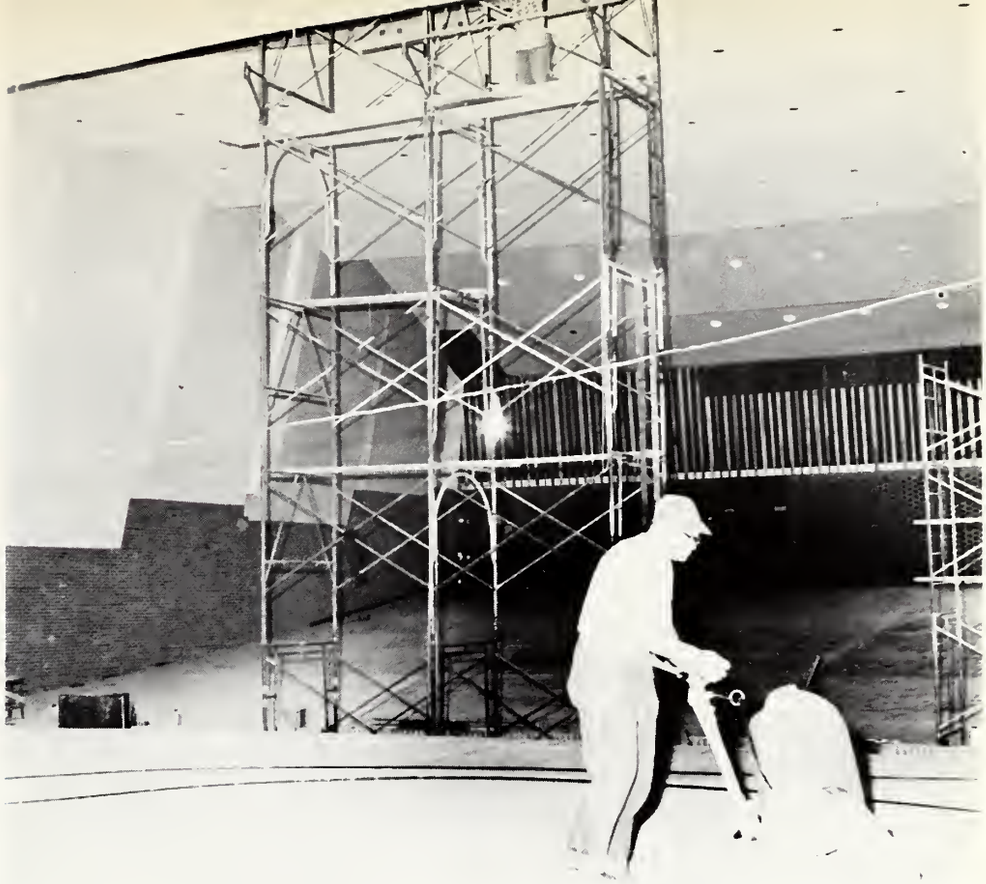
The first year at Northwest was filled with ideas, anticipation, and triumphs. Northwest, the newest high school in the city, boasts a student body of approximately 1250 students. In it's first year, Northwest selected a Jamboree Queen, Student Council, cheerleaders and started numerous extra-curricular activities, as well as a Parent-Teachers group. The first year at Northwest was, to say the least, a year full of ideas and unlimited opportunities . . . all new.

1,250 Pioneers Have Priority Establishing

The mall between the east and west wings of the building is a breezy but quick way to distant classrooms. Juniors Sandy Hash and Tonya Cardinal are two of the many students who take advantage daily of this short cut.

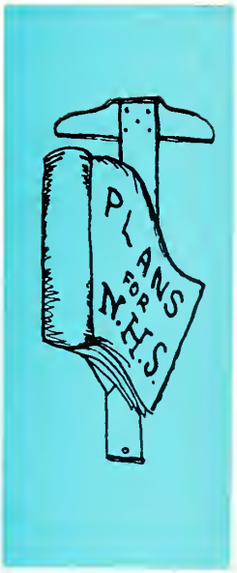
Starting a lawn from sod on ground which not long ago was soybean fields required constant watering from the sprinkling system.

N. H. S.



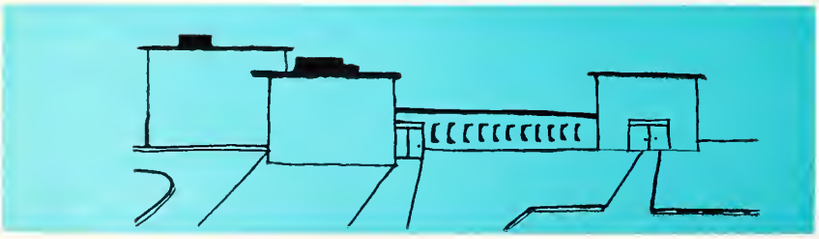
Pupils arrived in September, but not all portions of the building were ready. Auditorium, stage, shop areas, were some of the uncompleted sections. But everything was all finished on November 13 for the first Open House.

From ground breaking in February, 1962 to opening day September 3, 1963 Northwest went through many different construction stages. But underneath all the different colors of paint are these orange steel beams.



Things We Do-Studies, Activites, Sports

September 3, 1963 Mr. George Gale (standing) and other administrators greeted 1250 new Pioneers in the gymnasium. This was the first meeting of teachers, pupils, and administrators.



-Are Firsts

From the acquisition of the land for Indianapolis' tenth public high school on November, 1959 to the dedication program on March 25, 1964 many events set precedents.

Pioneers attended their first assemblies, first open house, first Sport's Night, first classes—everything was a first for the 1,272 Pioneers in their brand new building.

Northwest High is situated on 40 acres on the northwest edge of Indianapolis. It was designed by James Associates and the general contractor was Carl M. Goupel Construction Co. Cost of the building was $4,764,818.00.

The school year 1963-64 will always be remembered as the one when pupils occupied NHS for the first time and it will always be remembered as the year of precedences.

Approximately 3,000 visitors toured Northwest on November 13 at the first open house. Mrs. Jean Sharp, home economics department chairman, (third from left) shows Mrs. Beets, Carol Beets, and Mr. Beets some of the new table settings.

Mr. Tony Hinkle (second from left) was the main speaker at the dedication of the gym. Mr. George Gale, Mr. Kenneth M. Smartz, and Mr. Charles Leamon welcome him before the ceremonies Sports Night.

Many school activities began before school opened. Junior Cindy Allen represented us at the annual all city Football Jamboree.

to increase knowledge:

In our first year at Northwest, our knowledge was increased in many aspects. Some of us pursued programs in the academic field; others, in vocational or commercial. Besides increasing our knowledge in facts and skill, we learned a little about the art of getting along with others. This knowledge is as important as any we could gain.

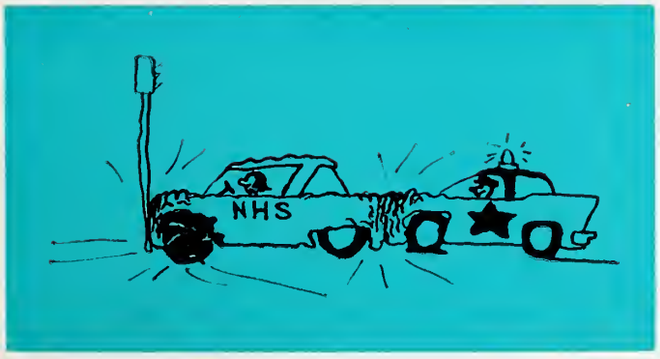
Growth in Intelligence, Attitude Help

Wide open spaces, lounge chairs, and other modern facilities are assets of the library. Few first year libraries are full of books and ours had a few wide open spaces on the book shelves but never at the tables or in the chairs.

Mr. Charles Leamon, Biology teacher, shows an interested parent a microscope at the Open House.

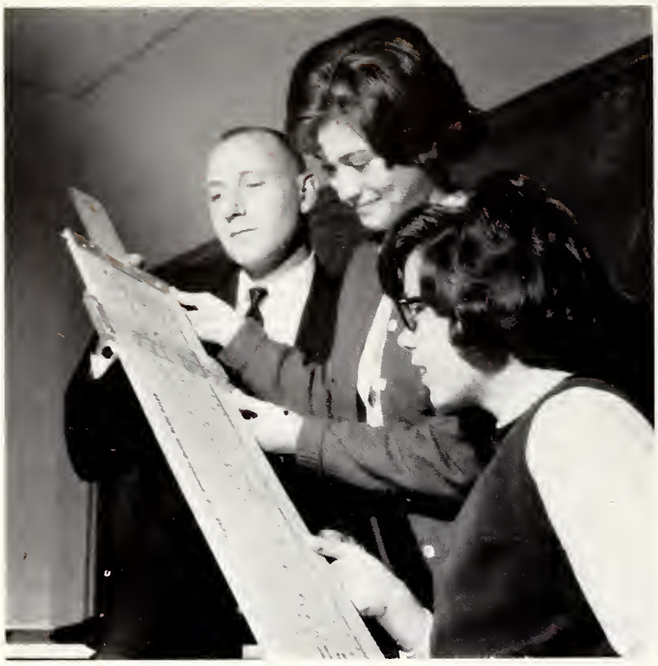
Pioneers Mature

Increasing reading comprehension and speed is the aim of the English reading laboratory. Marie Bushey, junior, uses the pacer.



One of the five new faculty for the spring semester, was Miss Carol Harvey, Home Economics and English teacher.

Driving is an important skill needed to get along in this fast moving world. Bob Reynolds, junior is one of the nearly 100 pupils taking Drivers' Education.



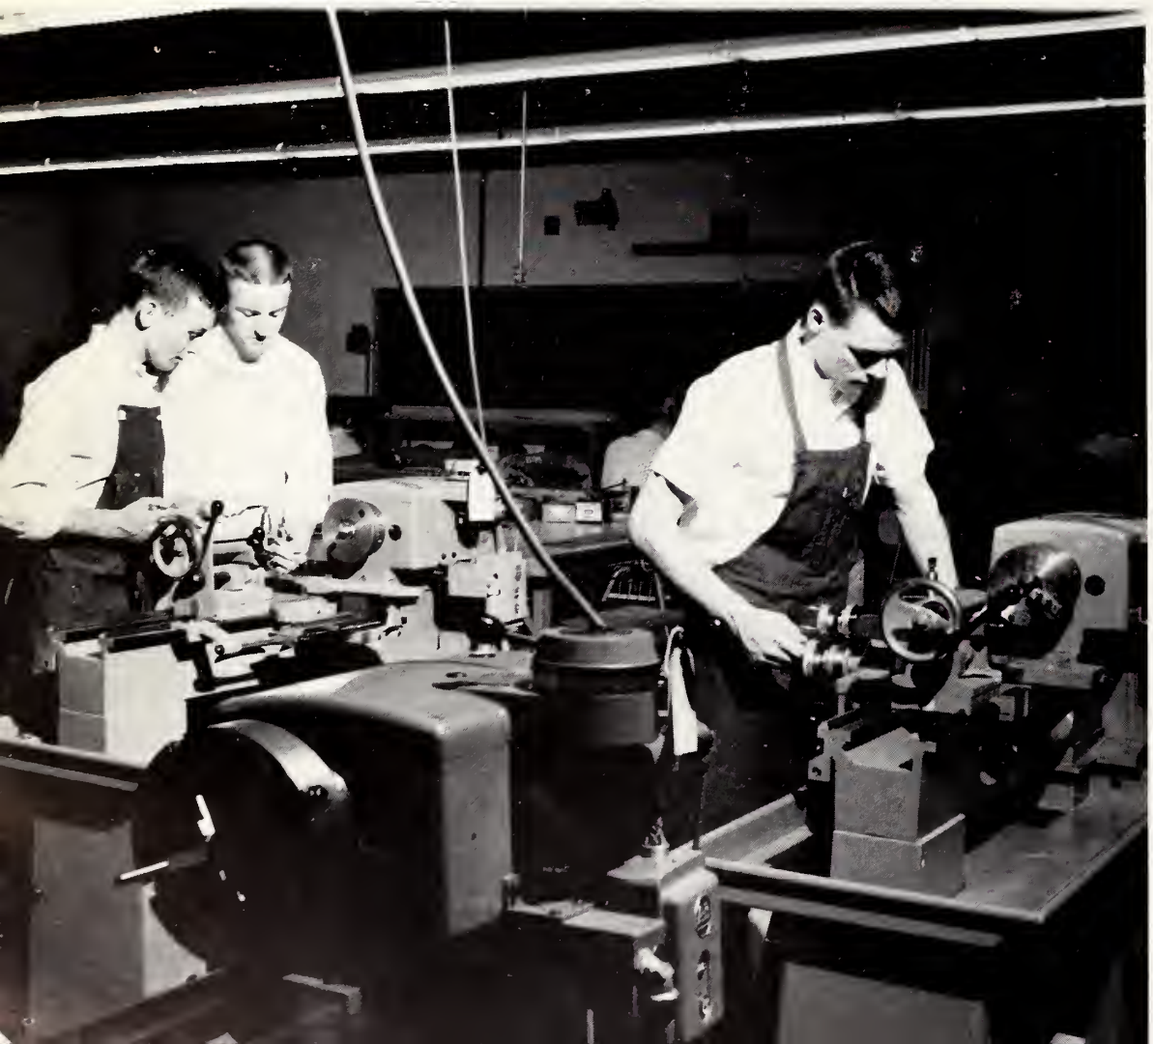
Mr. William Saler demonstrates the use of the slide rule to freshmen Marilyn Noll and Gretchen Klippel.

Mathematics is one of the most important subjects offered to students who are looking forward to a successful and rewarding career. At least one year of math is required of all high school students. Northwest boasts of a fine math department, and also of the competent and skilled math teachers.

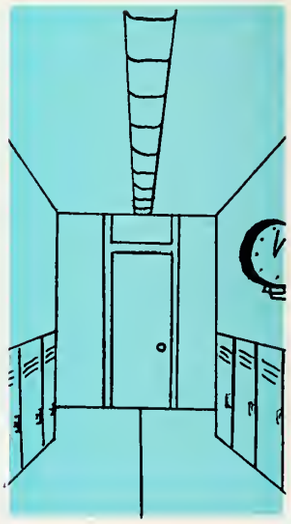
Math courses also become useful in shop classes. Boys must calculate distances, check blueprints, and measure statistics carefully. Shop classes offer training to boys interested in the vocation of Industrial Arts.

These departments are two of the many departments that lead Pioneers through the open dcors of education.

Various Activities Help Pupils Excel



Shop classes teach boys a new and different type of handcraft. Dave Beckham, Bill Dodd, and Bill Quade put the finishing touches on their projects in machine shop. Boys can learn the basic fundamentals of a trade and also earn credits toward graduation.



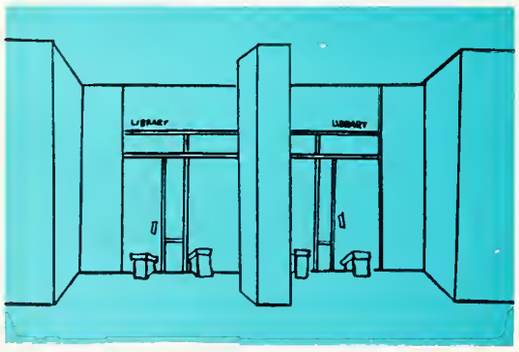
'Our Town' was the first all school play given at Northwest. These drama club members run through their lines as directed by Miss Linda Daseler.

Throughout World

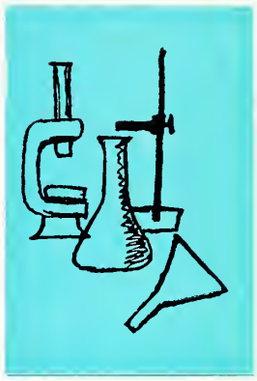
Though tragedies occur everyday, the magnitude they generate rarely affects every citizen of the United States. An exception to this, is the assassination of the late John F. Kennedy. Mr. Kennedy had great admiration and respect for the younger generation. He advocated physical fitness, awareness of the arts, and an education for all. Northwest complies very well with these aspirations of the late President. An excellent math and history department enable every student to work to his capacity and obtain all the required education by college admission boards.

Not only appreciation of the arts, but contribution to them are main objectives of the art department. Through imagination, and use of ability students can discover talents with which they could earn a living.

The Northwest flag like all those in the nation was at half mast during the official mourning period for President Kennedy.



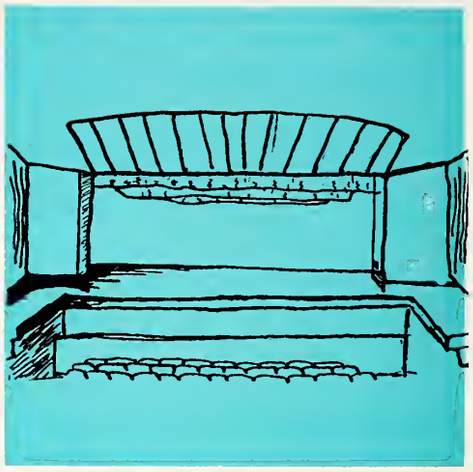
Crisis Pioneers Display Courage, Fortitude



Mr. Carl Zenor, chairman of Northwest's social studies department, left NHS at the end of one semester to head the 1966 state sesquicentennial.

The art gallery (right) was just around the corner from the math department. Mrs. Joanne Black, a new second semester math teacher could look around the corner and see the different displays as this pupil does.

One of the regular assignments of the Journalism classes is to give bi-weekly news reports. Junior Marcia Cody is reporting to the class.



Different Classroom Studies Prepare

Biology students Cindy Allen and Donna Bailey will probably never eat fish again. Biology I and II pupils are familiar with this class requirement.

Most of a high school student's life is in the future, and a student must prepare himself for this time ahead. In school he attends classes which will develop his senses and mind to mold his future life. There are basic classes which give him an opportunity to gain a basic knowledge for any occupation he may wish to follow. The time during high school is a serious one which involves an understanding of oneself. Northwest students attend specialized classes to find a subject which they think they will like to follow the rest of their lives. Under Miss Maureen Cunningham in Journalism and Miss Marguerite Lamar in Business Education, Pioneers are lead into an extensive study of these fields. Other specialized classes include speech and the sciences. Northwest boasts of a finely detailed study program in all courses.

Students For Future

Business Education Chairman, Miss Marguerite Lamar directs her students in stroking, timing, and accuracy before they can become good typists.

One of the busiest places in school is the bookstore. As students enter to secure those needed supplies, they are met with the friendly smile of Mrs. Rosemary Bonham.

N H Sers Learn To Use Time Wisely

Approximately 15 pupils work in Nurse Resnick's office during the school day. Lucy Campbell and Linda Dillard are two of the pupils who assist her.

Knowledge is a quanity that can be gleamed in a number of ways. One of the most important aspects of knowledge is learning to use time wisely. Northwest students progressed toward this goal by working as messengers in various offices, by practicing that extra hour in music, and by using their study hall time to the greatest advantage.

Since every Pioneer is assigned at least one study period. some pupils were assigned to offices ranging from the main office to the Dean's office to each department office. Over 100 pupils assisted in the offices. Some pupils were assigned to special areas such as music or publication and most pupils took advantage of the spacious library to do reference work.

Most music students practice in one of the six small practice rooms; but Randy Farmer practices among the lonely horns in the band room.

Every student in Northwest with a few exceptions has a study hall. Pioneers may go to their assigned study either in room 257 or 118 or they may go to the library.

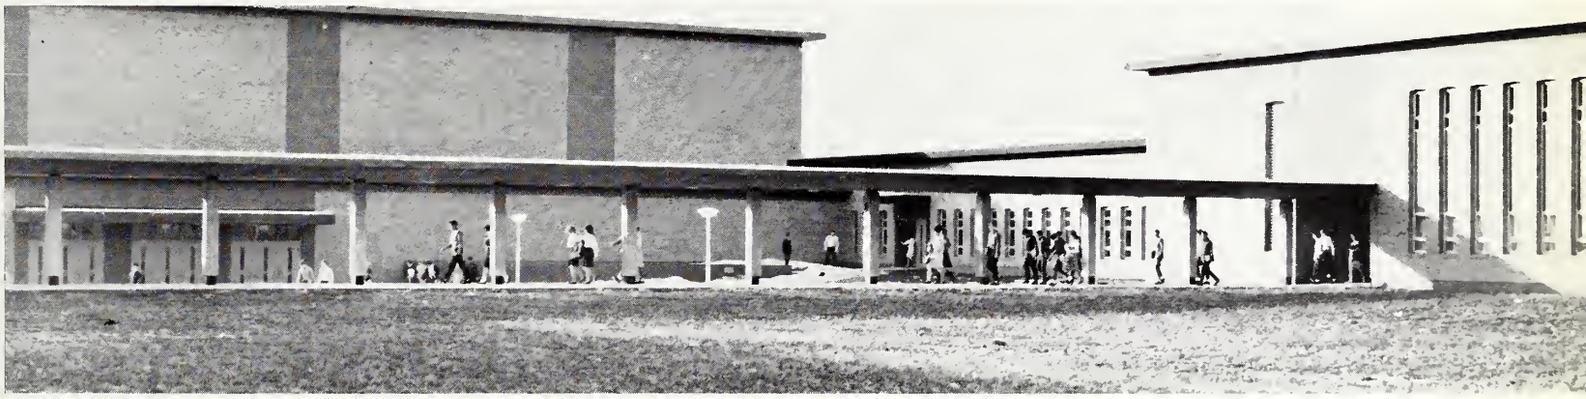
Mall Proves to be a Time Saver For

Practice makes perfect is a motto used by Spanish teacher, Mrs. Fimie Richie. These students practice Spanish by listening to tapes, recordings, and by speaking.

Hurried Pioneers

Knowledge will not be handed to us as we enter the doors of any institution of learning. Even if those are new doors. A top-notch school is not noted only for its new building, modern facilities, or its wonderful sports record. It is noted for its highly qualified teachers, and for the high academic rating of its students. Northwest is well on its way to becoming one of the best high schools in the state. We have a beautiful new building, excellent modern facilities, and classes of study for both the slow and the fast student. Northwest is a wonderful place for a student to gain and acquire the basic knowledge needed to further their education in colleges, and special areas of training. Northwest—All new in scholastibility.

Donna Lively won a first division rating for her viola solo in the state music contest.



The mall between buildings is a time saver for many students as they hurry from class to class.

Physical fitness is practiced in the physical education classes. Both girls and boys gym classes can use the gym when it is divided by the ceiling to floor wood curtain.

Four Minute Passing

Northwest, like a tree with fruitful branches, has many facets and parts which directly and indirectly affect the learning and knowledge of its students.

In its infancy, Northwest has been undergoing many changes. The second semester was heralded by changes in schedule and five brand new teachers, and both have fit right into the swing of things.

Members of the junior high, whose vice-principal is Mr. Willard Powell, are the only students who can claim that they "went to junior high at Northwest." Next year there will be even more high school students and their classrooms will take up the vacancy left by the absence of the Junior High.

The classes at Northwest are not limited to such things as science and math. Girls at Northwest have a chance to take such practical things as nursing and home economics, which enable them to have experiences in the every day things they will need to know to manage a home.

Demonstrations are common in home nursing class as these three pupils act out a class exercise.

English is necessary no matter what your life goal may be. However, it can cause problems. Mr. Peter Davis, English teacher, tries to show this to Jane Kitterman as he offers extra help.

Period Confused by Junior High Students

Mr. Willard Powell, junior high vice-principal, tries to explain a problem to one of his pupils. Mr. Powell teaches classes as well as being the administrator of the junior high. Afternoons find the junior high using specialized areas of the high school.

Music, Experiments Add Color, Enjoyment

Not all knowledge is absorbed by listening in class. Many practical and experimental situations exist at Northwest High School. Science classes offer one of the greatest experimental possibilities along with the industrial arts classes. About 15 boys helped move around the projection equipment as movies add interest to almost any class and Northwest students saw approximately 150 movies.

Generally required classes such as history, and specially assigned classes such as Orchestra offer the variety that adds enjoyment to the routine of school.

Whether required or elected, Northwest had a wide selection of classes ranging from Library Experience to Advanced Arts and Math.

Miss Nancy Adams came to Northwest in January to take Mr. Carl Zenor's place as head of the Social Studies Department.

Barbara Cox and Graham Manors set up a chemistry experiment.

in Halls at N. H. S.

One of the faculty that doesn't teach regular classes is Mr. James O'Donnell who is the school's social worker.

Pupils work in various departments during their school day. David Richey, Steve White, and Randy Easton are a few who help Mr. Norman Tripp with projectors.

Northwest's first orchestra presented programs at school assemblies and at the Music Concert.

to build traditions

In the beginning a high school must build its own traditions. The students of Northwest have this opportunity—to build the future not only for themselves, but for the school. As of yet there are no traditions, only contributions, for a tradition must be handed down through the years. This year at Northwest will always be remembered as the year when traditions were started.

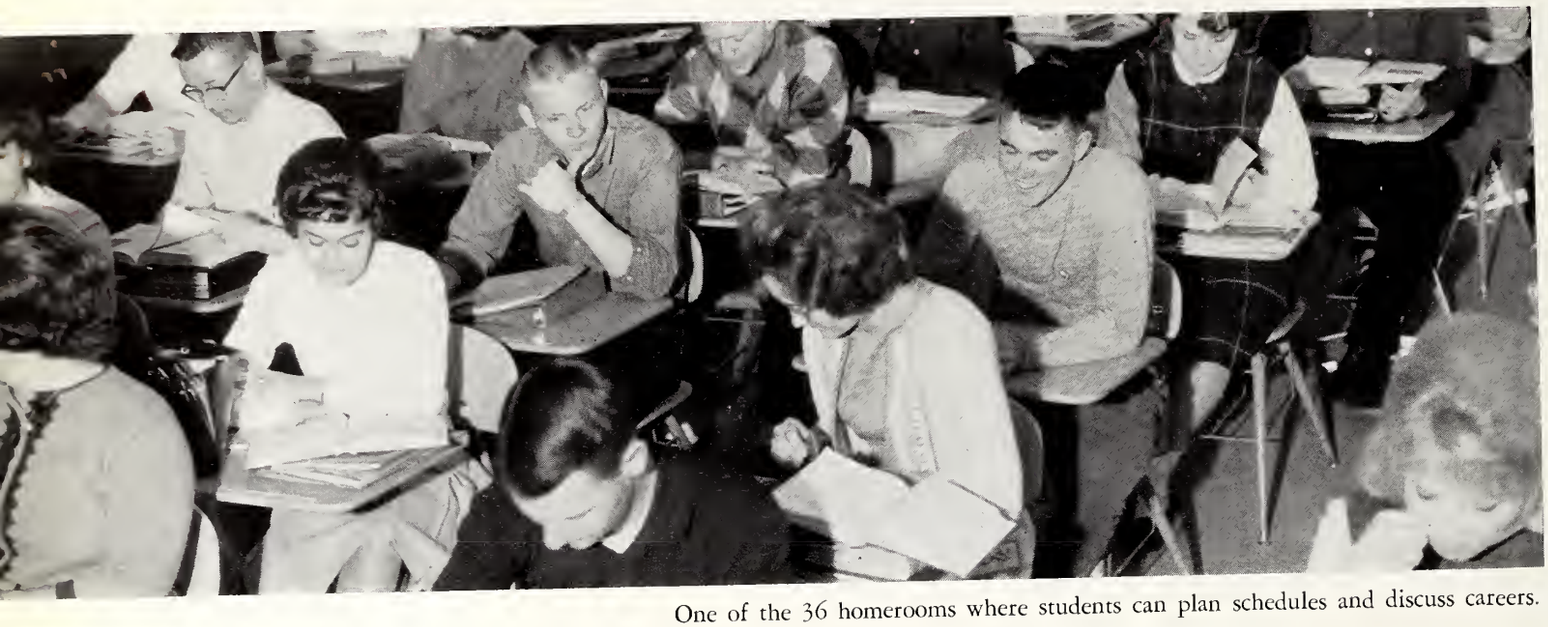
A contribution to tradition was started the first day as Jody Allemenos and Marilyn Off helped to distribute Telstars to all pupils.

In January the city principals met in the home economics dining room for their monthly meeting and the Octette entertained them.

Girls interested in becoming Northwest's first cheerleaders practiced every day for two weeks by this tree in front of Northwest.

Potential traditions at Northwest are represented by these junior leaders: Nancy McFall, cheerleader, Janet Blessing, Princess of Light and president of the History Club, (back row) Steve Woolsey, basketball letterman, Telstar Sports Editor, Doug Johnson, Student Council President, Mike Basore, Drum Major, and Ollie Matthews, president of the letterman's club.

Student Council, Class Rings, Considered



One of the 36 homerooms where students can plan schedules and discuss careers.

Proud Juniors display their new class rings, the first at Northwest.

Traditionally 'In'

Being the first Pioneers also meant that we had a responsibility to establish the traditions of our school; traditions that we will observe in following years, and traditions that others will follow after we've gone. Some of these traditions were patterned after traditions of other schools, but many were originated through the faculty and students of Northwest. It's their ingenuity that will keep these traditions alive!

This year we established our first Student Council. Elections were conducted in the home rooms for the representative and his alternate. In this way every home room was represented at the council meetings. The council then formed different committees and the constitution was drawn up. The council met once a month and was sponsored by Mr. Paul Heaton, Dean of Boys, and Mrs. Connie Zimlich, Dean of Girls. Mr. Kenneth Smartz, Principal, sat in on the meetings.

Junior Tom Kerby studies the class rings that were displayed in November. The juniors chose the class favorite from three choices presented by the Student Council. The rings were delivered in February.

'The Voice of the Students' . . . our Student Council. Student Council members meet regularly to discuss and try to help with plans for the student body. There is one representative from each homeroom.

All Get in the Act

The first parent group to be formed at Northwest was the Father's Booster Club. Fathers of students sold memberships at the first open house, and later at many of the home basketball games. The fathers also participated in Sports Night with what hopes to become a traditional Father vs. Faculty game. Sports Night kicked-off basketball and wrestling season. A wrestling match took place, and a game between the Varsity and Reserve basketball squads highlighted the event.

The Northwest Parents Teachers was another organization that started along with Northwest this year. N.P.T. sponsored a candy sale and a chili supper plus a membership drive to earn money.

Pep sessions were a big thing this year. Taking place in the gym, the pep sessions boosted the moral and spirit of the team and pupils. As did the after the game dances, and Northwest social life began.

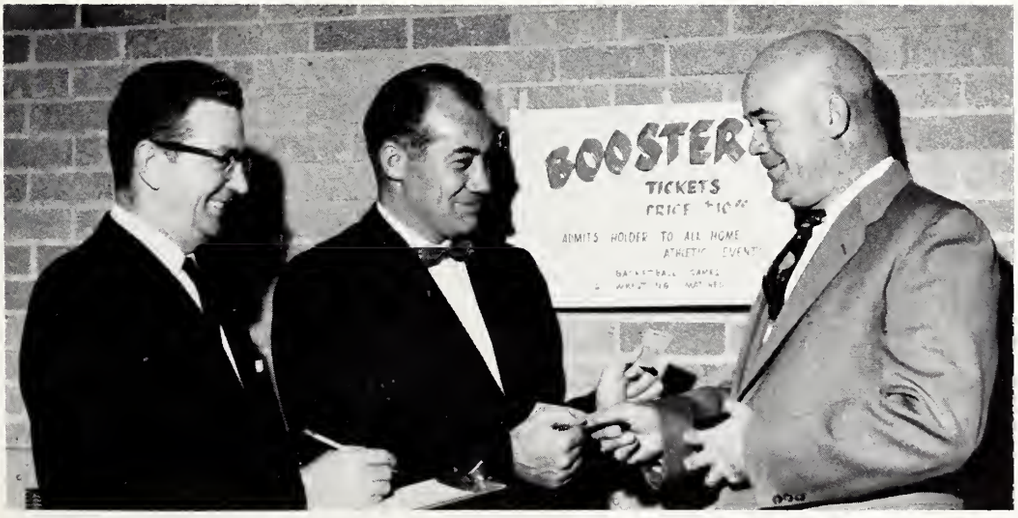
Mr. Smartz and Mr. Leamon are just a few of the many faculty found at the football games to cheer the team along with the students.

Students enjoy the first dance of the year sponsored by the Publications Department while Don Abbott spins the records. Other dances were given after the home basketball games.

As N. H. S. Has First Social Gatherings

The entire student body gathered in the gym for the last big pep session before the sectionals.

Fathers of Pioneers were selling memberships to the Father's Booster Club at open house. They were among the first of several membership and sales campaigns.



Miscellaneous Events Spark Life

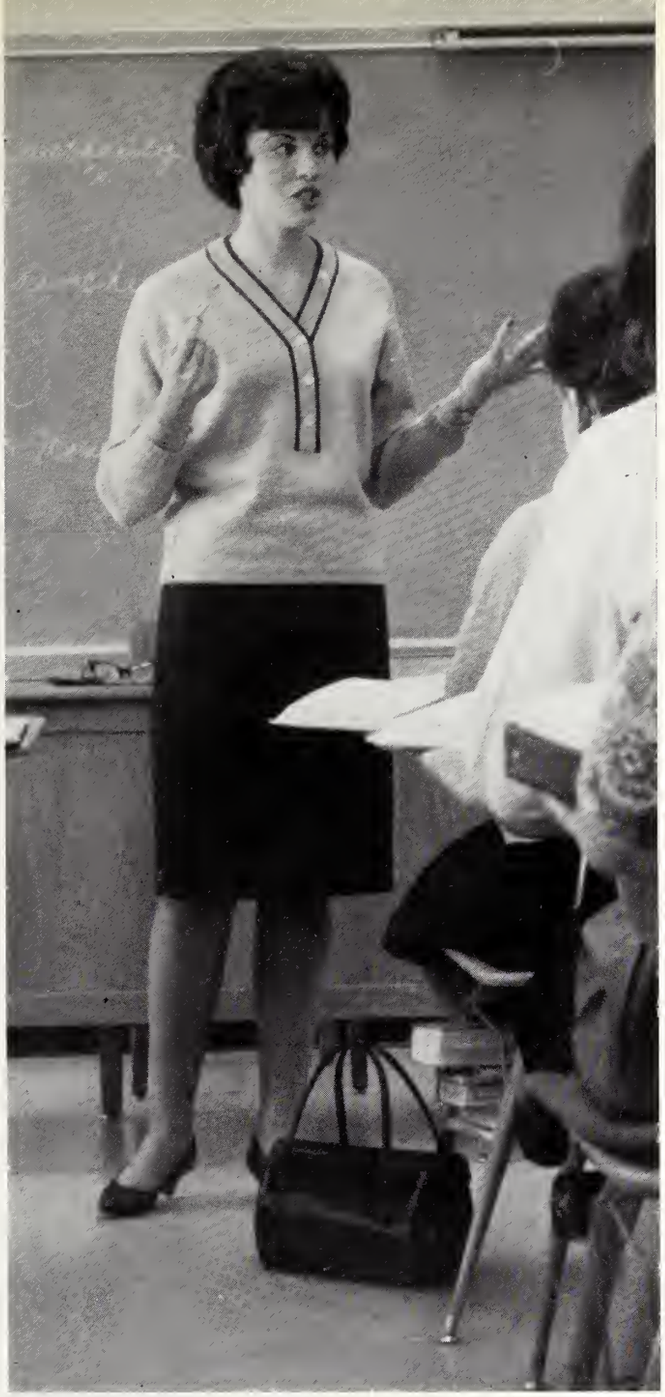
Juniors also contributed to the list of traditions. A proud Junior class displayed the first class rings to be worn at Northwest. Rings were ordered in the fall and received in the late winter.

"Wonderland by Night" with a Hawaiian setting was the theme for the Junior Prom. Work began the last of January as juniors met to discuss plans and form committees. Only juniors and their dates could attend the prom.

Four couples were chosen from Junior home rooms as candidates for King and Queen. At the climax of the evening the first Prom King and Queen were crowned. Another traditional first was the naming of the white letter winners.

Bill Hedges, Terry Wilson, Mike Morris, (*back row*), Harold Ballard, and Richard George were the first athletes to win two letter sweaters.

The Prom Steering Committee *(left to right)* Barbara Cox, Karen VanZandt, Judy Bennett, Mr. Richard Cummins, Doug Johnson, and Linda O'Banion made the Junior Prom truly a "Wonderland by Night."



The new year brought new faces as student teacher, Miss Marilyn Harrington taught at Northwest. Each department had several student teachers.

Underclass pictures taken for the yearbook went on sale in November. Shan Hague and Len McFarling sort out the pictures.

The bus is the only means of transportation for some students; therefore, the bus becomes a tradition for about 800 NHS pupils.

Perhaps one of the proudest moments in a boys life is when he receives a letter sweater or medal for participating in a sport. A special convocation which was called Awards Day came after the end of fall sports. At this, boys received awards for football and cross country. The following Wednesday there was a special banquet to honor these boys and their coaches. An Awards Day and a banquet came once again in spring to honor the recipients of awards for winter and spring sports. A few boys received white letters for their second Varsity sport. The cheerleaders were also honored.

"Beat Chatard" was the cry that was heard when this football dummy was constructed by team members, Dave Gilman, Don Mouser, Marc VanDenbark, and Steve Noe.

In one of the more advanced art classes Phil Western works on a clay head for his project.

Contest Winners Bring First Honors to

Everyone participates in Sports Night as in this rousing game of basketball between the fathers and the faculty.

The Post office presented this certificate
to the Art Department for work done by Steve Jones in art class.

All-New Northwest

In its first year of existence Northwest High did not win every contest that it entered nor did it lose every one either. Northwest freshmen won the "How Important is My Vote" contest sponsored by the Sertoma Club. Art pupils received several honors; one of which was a certificate from the Post Office Department. Donna Lively was our candidate in the Yards Park queen contest and Janet Blessing was our Princess of Light (this contest was called off when President Kennedy died). Our speech and debate team entered several contests and three pupils advanced to the regionals. We entered every contest with the feeling that perhaps we might not win, but at least we are going to try. Recognition was given to outstanding students in the Spring when the National Honor Society was organized.

Bringing some of the first honors to Northwest are freshmen, Carol Elliott and Nedra Owens who won first and third places respectively in the Sertoma Essay Contest.

In Activities

Being a new school affords students with the opportunity to begin afresh. Opportunities to set traditions and begin extra-curricular activities, both educational and just for fun. Many things were done for the first time and students could decide what clubs and activities they wanted to have. Yes, *all new* means opportunities unlimited.

International affairs are of interest to both the Northwest History Club and the International Club.

History Club, under the guidance of two members of Northwest's faculty, Mr. Ralph Horn and Miss Yovanka Savich, has had discussions on political issues and candidates. They took a field trip to McCormick's Creek State Park and sat in on a Workshop of the Junior Historical Society. The objective of this club is to further perpetuate interest in state, national, and local affairs.

International Club whose sponsors are Mrs. Fimie Richie, Miss Majorie Rork, and Mrs. Mildred Stevens, has quite an interesting agenda. They have had movies in foreign tongues, speakers from the student body, and have sampled foods from various countries. The purpose of the International Club is to learn more about our foreign neighbors.

Clubs Establish Tradition

Station NHS now leaves the air . . . it may soon become a reality.

The Amateur Radio Club has many goals in mind. Among the accomplishments of the first year were learning code practices and getting an advanced license. The club elected officers and met twice a week. Richard Huisman, was president, Steve Baker, vice-president, and Carol Myers, secretary. Mr. Robert Calkins is the club sponsor.

King is in check mate! These are the cries heard from the members of the Northwest Chess Club. The player who won the most games was chosen president. Joe Compton received his office in such a manner. Mr. E. W. Berrey and Mr. P. D. Burkhalter are the club's sponsors.

Ludwig McKinney was the recipient of the sportsmanship award and Joe Revell won the first tournament.

R-i-i-g-h-t face! With this command, fifty-one players and four majorettes of the Northwest High School Band briskly turn right.

The Northwest band, led by Mr. Darrel Horton, has played for five football games and for all the home basketball games.

They, along with other Indianapolis high schools, won a plaque from the Downtown Kiwanis Club. The Northwest American Legion awarded the band a plaque for participation in the Veteran's Day Parade.

Concert Band has played for the first open house, a Christmas program, and a Spring Concert. It is composed of members of the regular marching band.

Uniforms which are bright red jackets and powder blue trousers were donated by Manual High School. The four majorettes made their uniforms. They each had two different uniforms of red corduroy.

The band officers are Richard Huisman, president; Ed Shields, vice president; Ellen Albro, secretary; and Melvin Sprouse, treasurer.

A boost of morale is always welcomed when the pep band offers it. The band played at home games and at pep sessions.

Vocal, Instrumental Groups Add Polish,

The orchestra practices every day under the direction of Dr. Siurua.

From the beat of a snare drum to the high pitch of an e-flat the music department has made its appearance known at Northwest this year.

Some of the groups in the department are the Orchestra, the Ensemble, and the Choir. The orchestra is directed by Doctor Siurua; Mr. Eaton directs the Choir and the Ensemble.

The Orchestras main contributions this year have been the performance at the open house and the spring concert. The choir has performed at all school assemblies and also at some of the neighboring elementary schools.

The Ensemble which was organized in the spring semester has sung at outside organizations meetings and also for other activities at school. The songs sung by the Ensemble and the choir date back to the sixteenth century. Some of the up to date show tunes are used in their programs too.

Sparkle to Programs

Do-Re-Mi-Fa-So-La-Ti-Do and Zing-ee-ay-oh-a are two vocalizes which can be heard any weekday, at 8:15 in the morning from forty-nine enthusiastic choir members. The person responsible for all the spark, enthusiasm, and polish which the choir radiates is their director, Mr. Jack L. Eaton.

A few places these singing Pioneers have appeared at are: The first Open House, two Christmas programs, the Marott Hotel, a music department concert, and other programs. They also recorded some music which was played over the air on radio station W.I.B.C.

The choir officers include the following; President, Bill Hedges; Vice President, Cindy Allen; Secretary-Treasurer, Bob Crossely. The representatives of each section as as follows: Soprano, Pamela Shield; Alto Sandra Hash; Tenor, Alan Finch; Bass, Harold Ballard.

The Northwest Choir has attained much respect, and in striving to meet its lofty goals will surely, in the years to come, grow and improve.

Musical, Dramatic Productions Demand

Choir Officers are: A. Finch, C. Allen, H. Ballard, R. Crosley, S. Hash, W. Hedges

Many different courses in the field of music are offered here at Northwest. A student may wish to take a course in vocal music. Courses in vocal music include girls and boys choruses, ensemble, concert club, and choir. Band and orchestra are the only two courses in instrumental music that are offered.

The Music Department participated in many activities this past year. The choir, band and orchestra presented the music for the school's first open house. The band played for most of the football games; they even traveled to the Muncie South Side football game. They have also participated in numerous parades. The orchestra and choir has taken part in different concerts and contests.

Whenever there is a need for music, the Music Department and its students are always ready to perform.

Practicing after school is sometimes required to achieve perfection. John Cranfill practices in an otherwise empty band room.

Concentration is needed for anything well done even if it is practice. Sue Dennison is one of the many music students who practices to make perfect.

Hard Work, Long Hours

Drama Club was particularly active in making *Our Town* a success. It was one of the most elaborate plays ever constructed for the amateur group and was the result of tireless efforts of the club members.

The Drama Club attended an all state speech contest at Arsenal Technical High School. It was the club's first time to participate in such a contest. Through this contest they gained experience in contest work, techniques and preparation.

Drama Club was organized under the supervision of Miss Linda Daseler. At their bi-monthly meeting they illustrated pantomine and skits for the entertainment and experience of the members.

Judy Gagen and John Perkins won places in the speech sectional.

Girls, Boys, Experience Physical Fitness

Preliminary apparatus work, gymnastics, and other sports occupied the time of the Girls Athletic Association during the winter months, but spring brought kickball, and softball.

Mrs. Conna Hawkins, girl's physical education teacher, was the sponsor of the group which met every Tuesday and Thursday after school.

Between 30 and 50 girls attended the meetings where they improved in various athletic skills.

The purpose of the club was mainly to keep girls active in athletics and teach them sportsmanship.

Kick-ball was one of the G. A. A.'s fall activities and the parking lot was the scene of the game.

Lettermen Display High Standards

Row 4: Bill Quade, Doug Johnson, Brett Keene, Phil Poulos, Mark Zupan, Ollie Matthews, Tom Stengle, Bill Hedges, Steve Gruber.

Northwest's first Lettermen's Club consisted of thirty-two varsity-letter-winning members. They were organized in December under the direction of Mr. Charles Leamon, Athletic Director. Charter members won letters in cross country and football. At the end of the basketball and wrestling seasons, more lettermen were added.

The purpose of the Lettermen's Club is to help better athletics. They contribute in such ways as holding the ropes and showing their support by yelling at ball games. In the future, they will usher and distribute programs at the games.

In their first year, the Lettermen were governed by president Ollie Mathews, vice-president Harold Ballard, secretary Bill Hedges and sergeant-at-arms Bill Quade. They hope they can be of value to Northwest High by displaying sportsmanship in their conduct in, and out, of school.

Lettermen Club officers are Bill Quade, (standing) Bill Hedges, Ollie Matthews, and Harold Ballard.

Cheerleaders Display Pep Enthusiasm

Ready! Let's go! This was the familiar yell that rang throughout the gym this past year as the Northwest cheerleaders lead the fans in enthusiastic yells. Our cheerleaders had the honor of being the first cheerleaders of Northwest, and they did their best to deserve it.

Four varsity cheerleaders and four reserve cheerleaders spent many hours practicing after school, working on mats, jumping on the trampolines, and perfecting new cheers. Their many hours of hard work was shown in their performance at the games.

During football season the cheerleaders wore loden green skirts and white letter sweaters. Basketball season saw them alternating the green skirts and white letter sweaters with striking white skirts with forest green inserts and forest green vests.

The Cheerleaders for 1964 have done an excellent job of boosting the school spirit and keeping the teams moral up. They practice at least two times a week and help in many ways by putting up posters and distributing small booster pins for the students. Freshmen cheerleaders for this year are Marilyn Noll, Cindy Taylor, Barb Litmer, and Sherry Fortier.

The reserve cheerleaders are Bonnie Atkinson, Doretta Thomas and Jan Coghill.

at Games

Sherri Leonard, a varsity cheerleader is intent on a victory for the hard working Pioneers.

Mrs. Conna Hawkins, the girls physical education teacher, directed the cheerleaders efforts. With her help they sponsored one dance, co-sponsored one dance, and lead cheers at all our pep sessions.

During grid season the varsity and reserve cheerleaders backed the varsity football team as one squad, but during basketball season the varsity and reserve cheered only for their own team. The freshman lead cheers for the freshman team at all their own games.

The cheerleaders attended a Cheerleader's Clinic at Ben Davis to learn new yells and perfect their old ones.

The Varsity cheerleaders are Lorrie Sands, Sherri Leonard, Carol Beets, and Nancy McFall. These girls all worked hard to make Northwest's first sports participation year a success.

Many Northwest students were surprised to receive a newspaper the first day of school. This is just one of the traditions that the Telstar staff has tried to set during the past year. The Publications Department kept everyone informed as to the latest school news, sports, and social events. The newspaper was published biweekly by the Journalism classes under the supervision of Miss Maureen Cunningham.

A Cub Club was formed for freshmen interested in Journalism. The members learned the mechanics of journalism while having a good time. The purpose of the club was to prepare the students for future Journalism work. They worked on the yearbook and the newspaper staffs during the year.

Vanguard Meets First Year Deadline

From September of 1963 till May of 1964 the Vanguard staff has been hard at work raising money, meeting deadlines, and selling Vanguard. They have recorded the memories and experiences of the entire school year of Northwest, and put them into Northwest's first yearbook, the Vanguard.

They have brought a summary of the Northwest High School's initial year. From sports to extracurricular activities they have presented pictures, stories, and information about the school's activities.

Along with the Telstar staff, the Vanguard staff has sponsored three dances, and served in the concession stands at home games.

Vanguard's first year editors are *Front Row:* Jody Allemenos, Business Manager; Shan Hague, Album Editor; Sandi Weaver, Copy Editor; *Back Row:* Dennis Harrold, Art Editor; Sue Pence, Activities Editor; and Jim Downing, Photographer.

In Sports

The 1963-64 school year marked the first season for Pioneers to compete in interscholastic competition. We experienced both successes and failures in our first year. Pioneer teams showed both spirit and determination, while the coaches put forth 100% effort at all times. Our teams will look back on the 1963-'64 season with fond memories, while at the same time looking forward to next year. But never again can we say . . . all new.

Gridmen Fight Way to 3-5 Mark; Upset City

Coach Bruce Hamman and his football candidates spent many hours practicing in August.

From 120 candidates Northwest varsity football coach, Bruce Hamman, fielded a varsity team of 20 juniors and 16 sophomores who established a record of three wins against five defeats despite fighting against size and experience.

Northwest's first win of the year was a well deserved 33-13 victory over the Avon Orioles at Pike's field. Juniors Mike Morris and Bob Crossley led the Pioneers to the victory by scoring two touchdowns apiece.

Northwest's biggest win of the year was a 8-6 upset of city foe, Attucks. Sophomore Charles Thompson's safety accounted for the winning margin as Northwest won its second city series game of the year.

In the Pioneers versus Pioneers' game Northwest fought up until the closing minutes before bowing out to the Mooresville Pioneers, 12-7.

Jamboree foe, Chatard, fell to Northwest in a regular scheduled game by the score of 59-6. This game proved to be the highest scoring game of the year and ranked only second to the Attucks' game in defense. Juniors Bill Hedges and Dave Gilman led the Pioneers offense by scoring two touchdowns apiece.

Foe, Attucks 8-6

During the course of the year Northwest lost to highly regarded Broad Ripple, Greenwood, and Muncie South Side by the scores of 46-13, 26-6, and 33-0.

Northwest closed out the season with a hard fought lost to Danville by the score of 20-14. Sophomore Steve Noe scored Northwest's first touchdown while Mike Morris added the other touchdown on an 80 yard kick-off return.

The reserves under the coaching of Donald Stone compiled a record of 1-6 with their lone victory coming over Arlington.

Individual honors went to the following boys:

Junior Bill Quade—Most valuable player and all-city honorable mention;
Junior Richard George—All-city honorable mention;
Junior Ollie Matthews—Highest scholastic average;
Junior Mike Morris—Leading scorer on three touchdowns and three extra points for a total of 21 points.

Junior Bill Hedges is on his way down in the Greenwood game.

Height, Inexperience

Under the direction of varsity coach, Mr. James Ritter, a young team of four sophomores and eight juniors led Northwest High School in its first year of varsity competition as they compiled a record of three wins against 16 defeats.

Despite losing 16 games the team showed potential and promised Northwest High School a strong, upcoming team for next year. Eight lettermen will provide the nucleus for next year's squad.

Experience and height proved to be the difference in practically every game. Playing a rough schedule for a first year team Northwest lost to such highly rated teams as city champ Washington, sectional winner Howe, Wood, Sacred Heart, Decatur Central, Cathedral, and Crispus Attucks.

Northwest's three wins were over Fishers, Chatard, and Westfield by the scores of 60-46, 73-49, and 73-63.

Northwest opened the year with a bang by defeating Fishers, 60-46. Junior Steve Woolsey led a one man assault against Fishers by scoring 24 points and gathering in 10 rebounds.

Another individual performance proved to be the difference in Northwest's win over Chatard as junior Mike Morris scored 23 points and pulled in 11 rebounds.

Northwest's victory over Westfield was completely

a different story as five players scored in double figures to lead a well balanced scoring attack. Juniors Mike Morris and Bill Hedges paced the scoring with 20 and 19 points apiece. Next in line were sophomore Joe Pearson and Steve Woolsey with 13 and 11 points apiece.

Playing in its first city tournament at Northwest, Northwest lost to city foe, Cathedral 82-57. In its first Butler Sectional Northwest held off a superior Attucks team for three quarters before bowing out 59-34. Woolsey led Northwest in first city tourney and sectional by scoring game highs of 21 and 13 points.

Individual awards went to juniors Bill Hedges, Mike Morris, and Steve Woolsey for outstanding defensive man, leading rebounder, and leading free throw shooter. Woolsey received a medal while Hedges and Morris received trophies.

Steve Woolsey led the first year club in scoring with a 14.4 average on 244 points in 17 games. Woolsey finished tenth in the city in scoring.

Despite having two players called up to the varsity the reserves under the coaching of Mr. Donald Stone finished fast for a 9-9 record by winning their last five games in a row over Avon, Wood, North Central, Pike, and Deaf School.

Brett Keene, Rod Smith, and Mike Prifogle led the reserves in scoring.

Frosh Compile Combined 13-8-1 Record in

Freshmen were well represented in sports and also in gym classes. Physical fittness was an important part of their program.

Northwest's freshman football team posted a better record than either the Varsity or Reserve teams. This was mainly because they competed with boys of their own age and experience.

The freshman opened their schedule against Arlington, where they showed alot of spirit and desire in gaining a 13-0 victory. The following week they journeyed to Washington, where they suffered their first defeat of the season 28 to 0. With their record all even the freshmen gridders pulled out a 6 to 0 victory over Westlane, to pull themselves above .500.

With half of their season behind them the freshmen met the Hawks of Decatur Cenrtal and easily defeated them 19 to 6. In their next to the last game of the season, the frosh encountered their second loss at the hands of Attucks High School 26 to 13.

The freshmen footballers finished out their first year of competition with a 13-13 tie against Wood. This tie gave the freshmen football team a respectable 3-2-1 first year record.

Basketball, Football

Northwest's freshman basketball team opened their 16 game schedule, with a 36-33 victory over Arlington's Golden Knights. They followed up this triumph with a 39-38 victory over Chartrand High School. The next contest of the season was a tripple overtime loss to Washington's Continentals.

The next two games consisted of wins over both Sacred Heart and Cathedral, by scores of 45-26 and 34-32 respectively. Then the freshmen roundballers had a run of bad luck as they lost their next four games in a row. One of these loses was a 28-25 loss to Cathedral in the first game of the City Tourney.

The frosh got rolling again with a pair of victories over Ben Davis and Avon, before losing to city champion Attucks by the score of 53-38.

The freshmen finished their 10-6 season with a loss to Eastwood, and then 3 consecutive victories over Scecina, Manual, and Avon.

Don Harvey won the freshman city championship in the 95 lb. division.

Managers Work All Year for All Sports

Track team members work out on the school's parking lot in early spring track practice.

Larry Hobson, sophomore manager, tapes a sprained ankle as fellow managers, Ric Rothrock, Steve Jackson, and Ronnie Ball, look on.

The Northwest High School Varsity Track Team compiled a 2-4 record in the early part of the season. They opened the season with a 55-54 loss to Decatur Central at Decatur Central. Their first win of the season was a 71-38 victory over Avon at Northwest. Their second victory was a 57-52 win over Arlington. Individuals who placed first in their respective events were: sophomore Brett Keene—880, junior Steve Mills —LH, junior Jim Phillips—PV, junior Bill Hedges—BJ, Northwest completed sweeps in the 880 and mile relays.

Northwest also competed in the North Central Relays where they could manage only two points. Those two points were collected by junior Dave Busby in the mile run.

The track team also competed in the Broad Ripple Invitational where they finished 3rd out of four teams. Team scores were Ben Davis 87, Shortridge 29, Northwest 28, and Broad Ripple 21. Northwest gained two firsts, junior Jerry Campbell in the pole vault and sophomore Dennis Turner in the broad jump.

Vanguard deadlines prevented any more coverage of the track season then this.

Wortman and Keene Pace Harriers

Paced by Junior David Wortman, the Northwest harriers captured a third place finish in a four team cross-country meet at George Washington High School, on September 12, 1963. Wortman, who covered the 2½ miles in 10:37, was followed by Brett Keene and David Busby, both of Northwest.

Following the Washington meet, it was on to North Central where Northwest placed fourth out of four teams. Dave Wortman turned in his second 10:37 of the year, and managed an eighth place finish. Brett Keene finished tenth with a time of 10:41. At Broad Ripple's invitational, it was Wortman once again who led the Pioneer thinclads, as they climbed to a fourth place finish. Dave was sixth with a time of 10:31.

On October 4, the Pioneers finally captured their first win in a dual meet with Wood's Woodchuck's. Five places were captured by Northwest as they downed Wood 26-29. Wortman captured first place, Keene took third, Busby was fourth, Tom Stengal grabbed the eighth place, and Steve Despot placed tenth.

Victory number two was chalked up by the track men as they dumped Secina, 26-30. The first three places were grabbed off by Northwest. Wortman, Keene, and Busby placed first second and third, respectively, while Stengal captured ninth place. Arlington's Golden Knights ended the Pioneers' streak by downing them 21-38. Wortman was fourth, and Busby finished in the eighth position.

Cross-country letter winners, Dave Busby, Brett Keene, and Dave Wortman, practice for an up-coming meet.

The 2-8 record of Northwest's first Varsity wrestling team does not tell the true story. Under the coaching of Mr. William Treichler valuable experience was gained as many of the grapplers had not had any wrestling experience before.

In the first meet of the season Northwest wrestled one of the powers in the state in the form of Franklin Central where they took a 44-8 loss. The Pioneers had only two individual victors in this dual meet.

The next seven dual meets were all with city opponents, wherein they picked their first victory. The first foe was with the Wood Woodchucks where Northwest suffered a 34-15 defeat. Northwest became a victim to Manual in the 39-15 loss. Another Northwest loss came at the hand of Scecina in the 30-20 decision. A visiting Howe team achieved the highest score against the Pioneers in a 47-5 loss.

The first Northwest victory came at the expense of the Attucks tigers in a 26-24 win. Northwest then fell at the hands of Broad Ripple and Washington by scores of 39-12 and 32-14 respectively.

The second Pioneer victory was achieved against Greenfield by a 28-24 count. The last dual meet of the season was a 43-2 defeat to Cathedral.

Grapplers Gain Valuable Experience

Pioneer reserve wrestling team finished the season with a winning 8-2 record.

The first meet of the season was against Wood where they picked up a 28-16 victory. With one victory under their belt the reserves lost to a powerful Manual team to bring their record to 1-1.

Recovering from their first loss the reserves won 7 straight dual meets.

Among the foes that went down to defeat were, Scecina 22-20, Howe 34-18, Attucks 31-25, Broad Ripple 28-23, Brownsburg 26-25, Washington 26-16, and Greenfield 30-12. The final meet of the season the Pioneers lost to Cathedral by the score of 28-11.

Wrestling season began with a meet against Franklin Central on Sports Night.

Diamondmen Show Skill, Experience

Mr. Wathen Leasor coached the Northwest diamondmen in their first year of varsity competition. Assisting Coach Leasor and coaching the reserve team were Mr. James Ritter and Mr. Donald Stone.

On the varsity baseball schedule were such city foes as 1963 city champ, Tech, and runner-up Cathedral. Other city opponents were Arlington, Broad Ripple, Crispus Attucks, Howe, Manual, and Scecina.

Making the longest road trip of the season Northwest participated in an invitational tournament at Greenfield along with three other teams, Rushville, Muncie South Side, and host Greenfield.

With Northwest athletic facilities still not completely finished in all areas the team was forced to play most of their games away with the disadvantage of not having a home field. The home games on the fourteen game schedule were played on the Riverside Park Diamonds. Northwest also did most of their practicing at Riverside Park along with practicing at local grade school #79.

Rain hampered the varsity diamondmen in the early part of the season. Northwest's opening game with Attucks, April 6, was postponed because of rain and rescheduled in late May.

The diamondmen finally opened the season against Scecina after that game had been postponed one day. Lack of practice time gave Scecina an easy win.

A week later the varsity baseball team traveled to Mooresville where they treated the home team to a 7-3 defeat behind the six hit pitching of sophomore Rod Smith. Northwest's scheduled game with North Central the following week was rained out after four innings of play.

In the Greenfield Tourney Northwest lost a real thriller to host Greenfield, 1-0, in eleven innings.

Vanguard deadlines prevented the covering of any more games.

Starting pitchers for the Pioneer diamondmen were sophomore Rod Smith, a left hander, and junior Bob Crossley, a right hander.

Juniors Richard George, Bob Hutchings, Bill Quade, Steve Smoot, Mike White, Steve Woolsey, and sophomores Joe Pearson and Mike Godan formed the nucleus of the first year varsity baseball team.

Junior catcher, Marc Vandenbark and sophomore pitcher Rod Smith work out inside the school in early spring baseball practice.

Spring meant weather of any variety. The various spring sports had trouble finding days to practice and replay a major portion of their schedules. Len McFarling *(left)* and Jim Downing tennis team members practice at Park School.

With People

With the construction of a new school, new faces are found. When the 1,250 students assembled in the gym on the first day of school, they saw many new faces; new faculty, new advisors, and other new students. Through the year these faces have become familiar as faculty and students have become acquainted and worked together for Northwest. All new Northwest boasts an all new student body.

Northwest's head pioneer Mr. Kenneth Smartz must make some of the most important decisions in the supervision and running of the school. Mr. Smartz was appointed in September of 1962 and has spent this time working on the plans for Northwest.

Six Administrators Lead 1250 Pioneers

Mr. Smartz' right hand men are Mr. Wayne Kincaid and Mr. George Gale, vice-principals. Mr. Kincaid is mainly in charge of school administration and student curriculum. Mr. Gale is the school's Business Manager and in charge of finances. He also headed the Candy Sale held in the spring.

Student counseling is an important part of our administration. Mr. Paul Heaton, Dean of Boys, and Mrs. Connie Zimlich, Dean of Girls, spend most of their day talking to Northwest's students about pupil teacher problems and relationships.

Mr. Heaton, the replacement for Mr. Dixon, also teaches United States History. Mrs. Zimlich teaches English and Girls Physical Education.

Through First Year

Northwest has marked up another first in its first year of use. Northwest is the only school in the city of Indianapolis to have forty seven of its teaching staff with Masters Degrees or better. This shows that the foundation has been laid for the students of Northwest to excel. With such a fine teaching staff the students should have no trouble with their academic studies at N. H. S.

Northwest started its first year with sixty-two members on its teaching staff. In the spring the student body increased and so did the faculty. We gained three teachers for a total of sixty-five faculty members.

Mr. Richard Cummins, Guidance Director, helps plan for Northwest's student years after graduation. He helps confused students choose colleges which will benefit them and be of the best possible choice for their vocational choices.

Northwest's First Faculty Totals 69

The official keys to the building and the trowel used to place the cornerstone at the entrance to the building, were presented to Mr. Kenneth Smartz, principal. The presentation was made at the official school dedication in March.
